KEY:

- Existing floor covering to be removed.
- Existing wall framing to be demolished.
- Existing wall framing to remain.
- RD01** Existing door to be removed for selected re-use.
- RW01** Existing window to be removed for re-use.

NOTES:

- Allow for demolition of all items necessary for the implementation of the new works.
- Remove all surplus material from site.
- Remove and where possible reuse all redundant lighting, power and data outlets, door hardware, and door stops.
- Allow to make good all existing wall linings requiring alteration to facilitate this fitout.

• Hand all existing doors to be demolished to client. Select best condition for re-use.
